

M/S Aeras

(Southern Cross Junior)

# Aeras

Def: *to bring something into contact with the air*

**Aeras was launched in May, 2017.**

Lovingly nicknamed "Southern Cross Junior," she is a collaboration of our boatyard, captain and charter agency input .

With meticulous attention to detail, Aeras offers an intimate journey along the Aegean and Mediterranean coasts of Greece and Turkey for up to 4 persons.

Designed and delivered by Turkey's legendary boat-builder "Curly Mustafa," Aeras is fully equipped for motoring or sailing, or both.

Forward master cabin

Port side double cabin

Aft deck

Each cabin has its own ensuite facilities with hand crafted mosaic tiles, natural stone fixtures and mahogany trim.

Aft deck

The open galley encourages guests to engage with the chef and learn about the Turkish cuisine.

## Technical Specifications

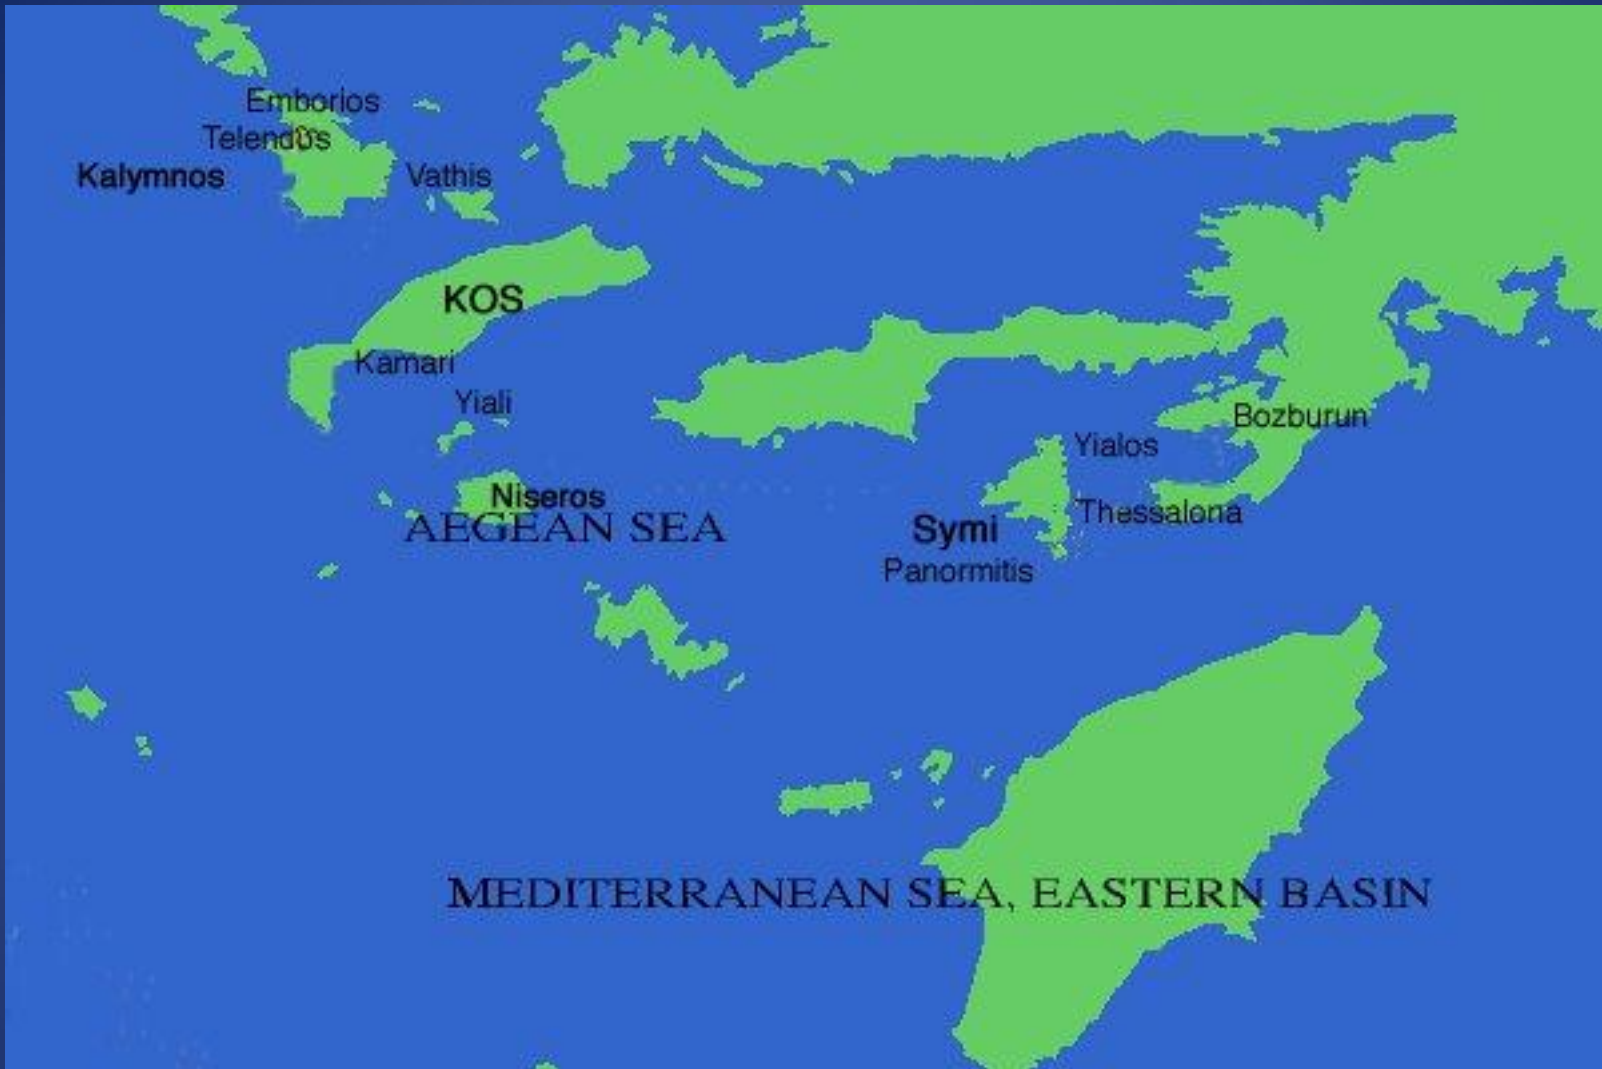

Aeras is 16 meters long with one master and one double cabin, for up to 4 persons. She has two crew, led by Hasan Kaptan and deckhand Mustafa.

She is powered by a 250 HP engine and a 9 Kva generator.

Aeras is fully equipped with sunbeds, awnings, forward deck seating area, separate crew quarters, galley, refrigeration below and on deck, canoe, fishing and snorkeling equipment, full navigational electronics and a television/DVD in the saloon.

Her air conditioning is designed to operate for up to 6 hours per day.

Led by Captain Hasan Uslu with 3 decades of experience, and deckhand Mustafa who joins us from our crew from Queen of Karia, Aeras' crew of two are discreet and speak very good English.

General Cruising Area – Cyclades, Northern and Southern Dodecanese can be arranged for.
