

Haydi

MODERN LUXURY IN A TRADITIONAL DESIGN

Haydi is proud to not have a TV or DVD player on board but has ipod and iphone connections.

Style and class in the traditional Aegean design

Haydi is a privately owned double ender, the centuries old original boat of the Aegean. Owners have spared no expense with state of the art electronics, technology and comfort with English speaking crew.

She has 1 master cabin with french bed, a sofa and mini fridge, 1 cabin with double bed and 1 cabin with 2 single beds, each with en suite bathrooms and air conditioning.

The saloon features a counter bar and mini fridge, music system and a sitting area. The galley has custom made tiles, dishwasher, oven, 2 refrigerators and a deep freeze. There is also a washing machine available for laundry.
