

Southern Cross Blue Cruising
presents
M/S Southern Cross Timer

- ✎ Southern Cross Timer is our classic 18 meter traditional sailing gulet. First commissioned in 1979, she took two years to build and was one of the grandest gulets ever built in Bodrum.
- ✎ If the walls could speak, they would reminisce of heads of state, actors, politicians and families from all over the world who have enjoyed time on her spacious aft deck exploring remote corners of the Aegean and Mediterranean.
- ✎ She has had several major refits, the most recent of which was 2012, and offers the comforts, service and amenities of much pricier yachts.

Southern Cross Blue Cruising

{ Southern Cross Timer has four double cabins and two bathrooms

{ This classic is equipped with the latest comforts and technology, including wifi.

Sailors – Take Note

Southern Cross Timer is a regular contender in the Bodrum Cup Regatta, having placed in the top three in her class on several occasions.

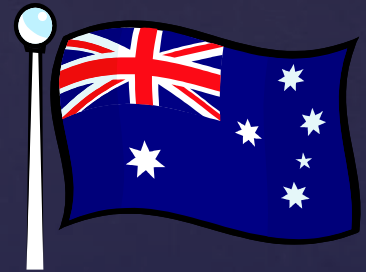

Southern Cross Timer is the only commercially registered Australian flagged gulet in Turkey.

What is the meaning of 'Timer'?

The last word in Southern Cross Timer is actually pronounced "timmer" in Turkish, and originates from a combination of the first syllables of the builder's two sons, Timucin and Erden.

What is the meaning of "Southern Cross Timer"?

The Southern Cross is a constellation in the southern hemisphere consisting of five stars and has important significance in Australian culture and navigation. When Dave Stanley purchased Timer from the Furat family, he followed nautical lore that it's bad luck to change a boat's name, and merely added Southern Cross in front of Timer.

Southern Cross Timer

Technical Specifications
