

Southern Cross Timer

INCREDIBLE VALUE FOR MONEY

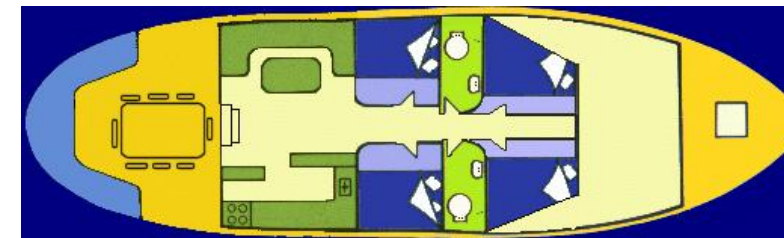

Traditional Bodrum Gulet

First launched in 1981, Southern Cross Timer set a new standard for luxury gulets in her time. If these walls could talk, they would speak of ambassadors, presidents and royalty which have sailed on this beautiful gulet.

An Economical Choice for up to 8 guests

With four double cabins (the forward two also have additional berths available), Southern Cross Timer is ideal for small groups of up to 8 persons. Her crew has separate sleeping accommodations.

Sail Away

Southern Cross Timer and her crew love to sail whenever possible. Explore the Aegean and Mediterranean coasts of Turkey and Greece under sail as did explorers of antiquity.
