

Sway

PERFECTION FOR THE UNCOMPROMISING CLIENT

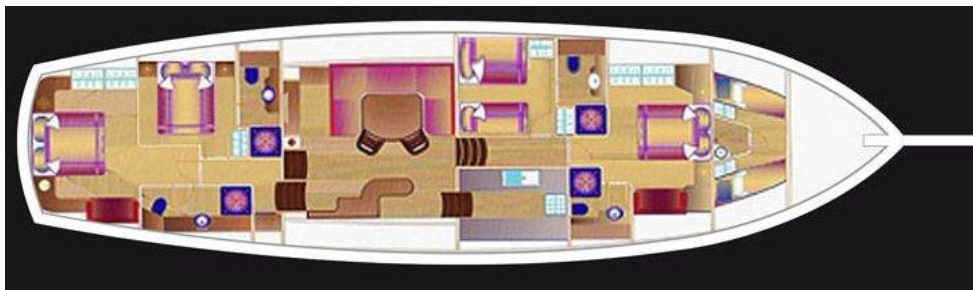

Five star luxury

From 32" plasma televisions in each stateroom, IPOD and Iphone connections, anti-bacterial materials and bedding, to its many toys and electronics, Sway is a techno-savvy, trend setting transom stern gulet.

Golden Silence

Custom central air conditioning, 'Silent Line' sound isolation throughout, and crew who can tip-toe mean that Sway is one of the smoothest, quietest gulets to sail. And sail she does, with full sailing equipment and a crew who are keen to do so.

Huseyin Captain runs a very tight ship and is fanatical about perfection in every task.
