

White Goose

FOR SMALL GROUPS WITH BIG EXPECTATIONS

White Goose has three double staterooms, of which one can be converted into a twin.

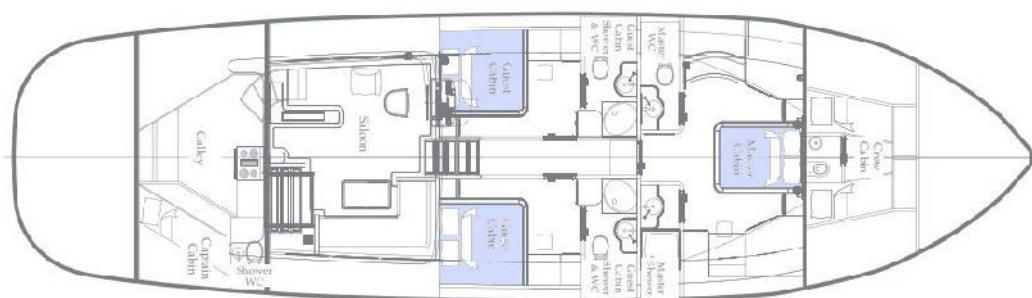

Five star luxury in three staterooms

One of the very few gulets catering specifically to small groups with discerning needs, White Goose offers all the luxury of her five star peers.

Built to Lloyds' specifications

State of the art electronics and technology, including Harken winches, Bose music system, satellite TV, waste treatment facilities, water maker and English speaking crew, White Goose is the only three stateroom gulet in her category.
