

## Burc-u Zafer

FLEXIBLE CABIN ARRANGEMENTS AND SPLENDID CREW

### Named after a famed Ottoman navy vessel

The grand Burc-u Zafer lives up to her name – she is one of the largest gulets built in her time and her stellar reputation matches.

### One of the largest aft decks on a gulet

Burc-u Zafer has an extremely roomy aft deck, both for lounging on the aft cushions and for al fresco dining. She also has an enclosed, air conditioned indoor saloon and extra high headroom throughout the yacht.

### Captain and Crew

Ismail Captain is a wonderfully discreet, professional captain who runs a tight and tidy ship. He is able to engage or step back as needed, and has a good command of English.

Burc-u Zafer has 6 cabins for up to 12 persons. Two of the twin cabins can be arranged in either a double or a twin configuration.
