

Blue Heaven

A FRESH CONTEMPORARY FEEL IN A MODERN LUXURY GULET

Contemporary, roomy and spacious

Blue Heaven has a fresh, light feel throughout, favoring blonde wood in her interior design in lieu of the more frequently used mahogany. She has an adaptable layout with two master staterooms, two twins and a single cabin, for up to 9 persons.

2011 Launch

Subdued lighting and modern touches reign throughout the yacht which has a motoryacht feel to her. Handcrafted marble fixtures are gently lit from behind for a soft glow.

Captain and Crew

Huseyin Captain speaks good English and oversees all details of a safe and comfortable charter with pride. Cuisine on board emphasizes fresh Turkish produce, seafood and traditional Turkish mezes.
